

## LUXURY SILK 2850

The Luxury Silk 2850 has a combined spring count of 2850 from the pocket springs in the heart of the mattress and mini pocket springs in the pillowtop that help distribute weight evenly, minimising pressure on the body and resulting in an undisturbed night's sleep. Cashmere and silk elevate the levels of plush comfort in this truly sumptuous mattress.

### 2850\* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. \*King size.

### FIRM EDGE SUPPORT

Firmer springs along the sides add strength to the edge of the mattress to allow you to use the whole surface of the mattress as a sleeping area.

### PILLOWTOP LAYER FEATURING MINI POCKET SPRINGS

A soft comfort layer above the supportive mattress featuring mini pocket springs for further postural support.

### CASHMERE AND SILK

Cashmere hair and the finest silk fibres are blended into a durable insulation layer. This layer also provides a supportive feel.

### 3 ROWS OF SIDE STITCHING

Provides a more robust mattress border than a standard mattress.

### HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

### NO TURN

No need to turn the mattress, although regular rotation will extend its life.
