LUXURY WOOL 2150

This handcrafted no turn mattress combines sensuous softness of natural wool with a satisfyingly supportive feel. Warm in winter and cool in summer, it will enhance the quality of your sleep.

2150* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

2 ROWS OF SIDE STITCHING

Provides a more robust mattress border than a standard mattress.

NO TURN

No need to turn the mattress, although regular rotation will extend its life.

WOOL LAYERS

Wool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.
